

GCC EXPERTISE. GLOBAL REACH.

Talent is global. The right connection makes it work.

A Dubai-based HR consultancy connecting employers with professional, technical and operational talent across the GCC through a coordinated international sourcing network.

COMPANY PROFILE

DUBAI / RIYADH / INTERNATIONAL NETWORK

People move business forward.

ZEEZONE HR CONSULTANCIES helps employers define a need, reach relevant candidates and make informed hiring decisions.

BASED IN DUBAI. CONNECTED ACROSS BORDERS.

Our Dubai headquarters and Riyadh office work with our Pakistan presence in Rawalpindi and Karachi and international sourcing relationships across selected Asian and African markets. We support searches shaped by the role, location, employer requirements and realistic timeline.

We are an HR consultancy focused on recruitment and coordination. Employers retain hiring decisions; candidates receive clear information and direct communication through the process.

OUR APPROACH

Understand the brief / Search with purpose / Review together

Recruitment shaped for you.

A focused set of services for leadership, professional, technical and operational hiring.

01

Executive Search

Targeted outreach and assessment for leadership and specialist appointments.

02

International Sourcing

Access to relevant candidate markets through coordinated associate and partner relationships.

03

Recruitment Services

Professional, technical, operational and project hiring aligned with your brief.

04

Outsourcing

Workforce sourcing, service-partner coordination and deployment support within an agreed scope.

05

HR Services

Support for role definition, hiring requirements, assessment and recruitment coordination.

06

Emiratisation & Saudisation

National talent recruitment and workforce planning support for UAE and Saudi employers.

Services are scoped to each assignment and agreed with the employer.

Sector knowledge. Global reach.

Our searches span professional and operational roles across a range of business environments.

01 Construction & infrastructure

02 Engineering & technical

03 Oil & Gas

04 Logistics & Transportation

05 Healthcare

06 Facilities management

07 Hospitality & tourism

08 Retail & commercial

INTERNATIONAL SOURCING

Dubai and Riyadh connect regional employer needs with candidates through our Pakistan presence and international sourcing relationships across selected Asian and African markets.

Every search is matched to the role, hiring location and applicable requirements. We coordinate with relevant parties on agreed steps and responsibilities.

A clear path to the right hire.

Employer and candidate communication should stay aligned at every stage.

01 Discover

Understand the role, team, location, headcount and timeline.

02 Define

Agree essential criteria, sourcing approach and decision owners.

03 Source

Identify relevant candidates through suitable channels and markets.

04 Screen

Review experience against the brief and prepare an evidence-based shortlist.

05 Select

Coordinate interviews, feedback and employer decisions.

06 Support

Confirm agreed offer and joining coordination responsibilities.

FOR EMPLOYERS

Share the role, location, headcount and target date. We will discuss the most useful next step for your search.

FOR JOB SEEKERS

Share an accurate CV and your preferred role and destination. We will contact you when a relevant opportunity is available.

LET US START WITH THE RIGHT CONVERSATION
